**Subject: Strikes on 8 and 15 December 2014**

Dear Parents,

As you are probably aware, strikes are going to take place on 8<sup>th</sup> and 15<sup>th</sup> December.

The school shall remain open.

We are aware of the difficulties that parents may face when bringing their children to school. Security must certainly remain a priority, especially in case of severe weather conditions. Please note that the absence of pupils will not be considered unjustified.

Please also note that in the secondary cycle there will be no exams or tests.

*NB: the Eurospace Centre S2 school trip shall take place on Monday 8th as planned; departure from school at 07.00.*

Below you will find the measures taken by the services organised by APEEE:

Monday 8<sup>th</sup> December 2014:

- No transport service
- Canteen : a simple hot meal (different from the one on the menu) will be served to the pupils present
- No extra-curricular activities
- No locker service

Monday 15<sup>th</sup> December 2014:

- No transport service
- No canteen service. Please provide a picnic for your children if they are coming to school
- No extra-curricular activities
- No locker service

We thank you in advance for your collaboration.
