

Dear Parents,

There are some issues related to the choice between Latin and ICT which still require clarification, most importantly whether choosing Latin in S2 or S3 this year will mean that students would have to follow the course through at the exclusion of ICT and possibly other subjects in subsequent years.

The reform for S4-S7 is still awaiting an external evaluation and it is not certain when or if it will be implemented. The new S1-S3 ICT syllabus is in the pipeline and students and their parents might also wish to consult it before making a definitive decision. This is on the agenda at the pedagogical committee next week, as soon as we obtain a copy of it we will let you know.

We therefore **strongly recommend** that you **wait for further indications** before sending in your forms.

The APEEE president has asked the school to organise a meeting for parents and to extend the deadline to allow them to make an informed choice currently the **deadline is 14th February**. Once the choice has been made it is taken to be final.

Yours faithfully,

Denise Chircop
