Information for sellers:

We only accept books that appear on the most recent Book List (published 12/6/15). We also accept revision notes for current texts, Eurobio, atlases, dictionaries & any Shakespeare.

Books must be in good condition.

Each book must be accompanied by a completed purchase slip with the seller's name, email address and Belgian bank account.

We will set the price for each book (approx 50% Amazon price), and take €1 for each book sold.

We suggest that each seller keeps a list of his/her books being sold.

All books are sold at the sellers' own risk. We are not responsible for loss or damage.

Proceeds will be paid to the seller's account by bank transfer as soon as possible after the final sale.

We can also accept details of sellers of TI-Inspire calculators, but sales must be negotiated privately.

Unsold books may be collected any time during the sale by the owner.

Unsold & uncollected books will be kept for future sales, providing the book remains on the school's book list.

Storage space is limited, so we may dispose of any book **not on the current school book list of any section** by any means if they remain unsold & uncollected after the final sale.

Information for buyers:

Exact change is appreciated.

All books are sold "as seen". All sales are final. No refunds will be offered (but you may resell a book).

All queries should be addressed to rachel.senior@scarlet.be (EN section books only) by the end of September.

The money raised will be used for library purchases. In 2014-15 we replaced the much loved Jacqueline Wilson novels for the 1-3 Library, and bought books about applying to university for the 4-7 Library.
