WHY AND HOW FOR THE 5 FEBRUARY 2018 CONFERENCE

The European Schools will introduce a **fresh approach to assessment** in the secondary cycle from September 2018.

This will change the methodology of the assessment (based on a new marking scale and attainment descriptors). The joint event seeks to introduce the key ideas and discuss the implications.

A background document is available here:

<http://interparents.eu/pdf/Changing-Assessment-in-European-Schools-en.pdf>

Following the presentations by Mr Andreas Beckmann (Deputy Secretary-General of European Schools, OSGES), Mr Max Wolff (Secondary Inspector and WG Chair) and Mr László Munkacsy (Head of the OSGES Pedagogical Development Unit), a panel discussion will follow. Panel members include Mr Emmanuel de Tournemire (EEB 3 Director), Ms Denise Baines (teacher representative), Mr Jan von Pfaler (parent representative) and Mr Pere Molles-Palleja (Interparents President, moderator).

Parents who wish to attend the conference and do not have an EU badge should fill in the **registration form** by Thursday 1 February 2018. All parents are reminded that admission to the conference room will on a "first come-first served" basis.

There will be time for questions during the conference from the audience to the panellists. Any preliminary questions or comments can be submitted to box@interparents.eu.

The conference will be on live streaming. Further information about the link will be provided on the Parents Associations webpages.

EN-FR interpretation will be provided
