Subject: Decision on the 2021 session of the European Baccalaureate (EB):
2021 European Baccalaureate final marks

Dear Madam
Dear Sir

In line with the dispositions of Report 2021-03-D-38-en-2 “Task Force on the ‘Preparation of the European Baccalaureate 2021’”, foreseeing that “*After the end of the EB session, a short, written communication summarizing the session evolution and the measures taken will be sent to the Board of Inspectors, the Board of Governors and the TF members, for updated information.*”, we hereby inform you that the final marks of the 2021 session of the European Baccalaureate will not be submitted to a moderation process.

In agreement with Reports

- 2020-10-D-74-en-2
TASK FORCE “Preparation of the European Baccalaureate session 2021”– ‘GUIDELINES for the Baccalaureate session 2021’, approved by the December 2020 Board of Governors

and
- 2021-03-D-38-en-2
REPORT of the TASK FORCE on the ‘Preparation of the European Baccalaureate 2021’, approved by the April 2021 Board of Governors, endorsed by the President of the European Baccalaureate 2021 session, Prof. Marie-Danièle CAMPION

Considering that

- all European and European Accredited Schools were able to organize all written examinations in situ and that no examination was cancelled,
- the final marks of the EB 2021 session have been scrutinized and no difference statistically relevant was observed in comparison to previous regular EB sessions (2019 and earlier),

following the opinions, in prior consultation, of the Board of Inspectors secondary cycle and of the TASK FORCE "Preparation of the European Baccalaureate session 2021" Core Group and Consultative Body,

the President of the 2021 EB session, Prof. Marie-Danièle CAMPION has decided to not implement any kind of moderation on the final marks of the EB 2021 session.

As a consequence, we are able to confirm that the final EB marks 2021 were calculated applying the following formula as previously agreed by the Board of Governors:

C-Mark 50% (20 % A + 30% B) + W 35% + O 15% as a replication of final A-mark.

Where

A is the final Class mark

B is the final Pre-Baccalaureate mark

C is the Preliminary mark

W is the final written mark

O is the final oral mark (replication of the final A-mark, as per decision of the President of the 2021 EB session, Prof. Marie-Danièle CAMPION, on 15 February 2021).

For further guidance, you may contact the European Baccalaureate Unit of the Office of the Secretary-General (email: es-baccalaureate@eursc.eu).

Wishing all the best to all EB 2021 Candidates, we thank you advance for your attention and remain

Yours faithfully,

Andreas BECKMANN

Deputy Secretary-General
of the European Schools
