

2021

### COMMUNICATION TO PARENTS

#### Mandatory COVID measures from September 2021

Following the latest government decisions;

Following the circulars issued for the start of the school year;

Given that the instructions have not been relaxed in the Brussels region but in the other regions of Belgium;

And taking into account the particularity of our school and the high incidence rate of Covid-19 cases in the Brussels region;

The rules issued for the start of the school year are :

#### **1. Wearing the mask**

- Adults and secondary school students must wear a mask at all times;
- Mask is mandatory in front of and within the school.

#### Exceptions

- You can remove your mask when you are alone in your office;
- During meals;

#### **2. Social distance**

- The social distance of 1.5m is to be observed for all people over 12 years old;
- For staff members, the social distance of 1m50 is mandatory at all times (even with a mask).

#### **3. Hygiene**

- Staff and students must **wash/disinfect** their hands before going to their office/room;
- Before and after the gym, hands should be washed;
- **Regular hand disinfection is required.** Dispensers of hydro-alcoholic gel are placed at various locations on the site;
- **Protective measures must be observed** (coughing and sneezing into the elbow, using paper tissues, washing hands afterwards...);
- At break time and before eating, you must wash your hands;
- Please wash your hands before leaving the school.

#### **4. Ventilation**

- Only rooms with windows or mechanical ventilation can be used;
- For rooms with windows, two windows must be open at all times. During breaks, the other windows must also be open;
- The mechanical ventilation must run continuously during the school year.

#### **5. Meetings**

- Work meetings can take place in the school but social distance must be respected. Masks must be worn during meetings.

#### **6. School trips**

- School trips of one or more days are allowed. The Management and the Safety and Security Officer must give their approval for these.

## **7. Parents**

- Parents from M1 to M2 are allowed to enter the site but not the buildings;
- During the childcare, parents are not allowed to enter the buildings;
- Parents' meetings are not possible. They must be held by video-conference.

## **8. External people on the site**

- The presence of external people should be kept to a minimum;
- Deliveries are allowed but delivery men are not allowed to enter the buildings. They must go to the workshop in the Aristotle building.
