Dear Valentina,

Dear all,

I acknowledge receipt of your mail and the concerns that you have raised. We have discussed this on many occasions in the past and I am sure that it will be a topic again at future meetings. I also understand that you will raise it with the Office of the Secretary General again.

I have been very clear that the organisation of the Oral Baccalaureate is not compatible with organisation of the regular school day. The situation arises in all European school , where all schools cancel lessons to accommodate the Oral baccalaureate , depending of course on the numbers of oral exams that they need to arrange.

Kind regards / Sincères salutations / Met vriendelijke groeten / Mit freundlichem Gruß / Mise le meas

Brian
